S I R :

A copy of each of the publications identified on the enclosed Form PTO/SB/08A is enclosed herewith. The first five Japanese patent publications identified on said Form PTO/SB/08A are also identified in the English language International Search Report (copy enclosed). USP 5,759,504 is identified in the International Search Report as a patent family member of JP 08-229354. The remaining publications are identified and discussed in the present specification, starting on page 2.

It is requested that said publications be considered and that a copy of the enclosed Form PTO/SB/08A with the Examiner's initials in the left column be returned to the undersigned attorney.

Respectfully submitted,
